DOC148941 TDST Smoove Origin 4 io

Designation	Smoove Origin 4 io
Reference	1800205
Range	Smoove Origin io Homecontrol

FUNCTIONS

- 1w control
- Command: Up, My, Down
- Setting with io ergonomic
- Adaptation with Standard (49075) DIN 50x50
- Composition: 1 Module, 1 frame & 1 Mounting plate

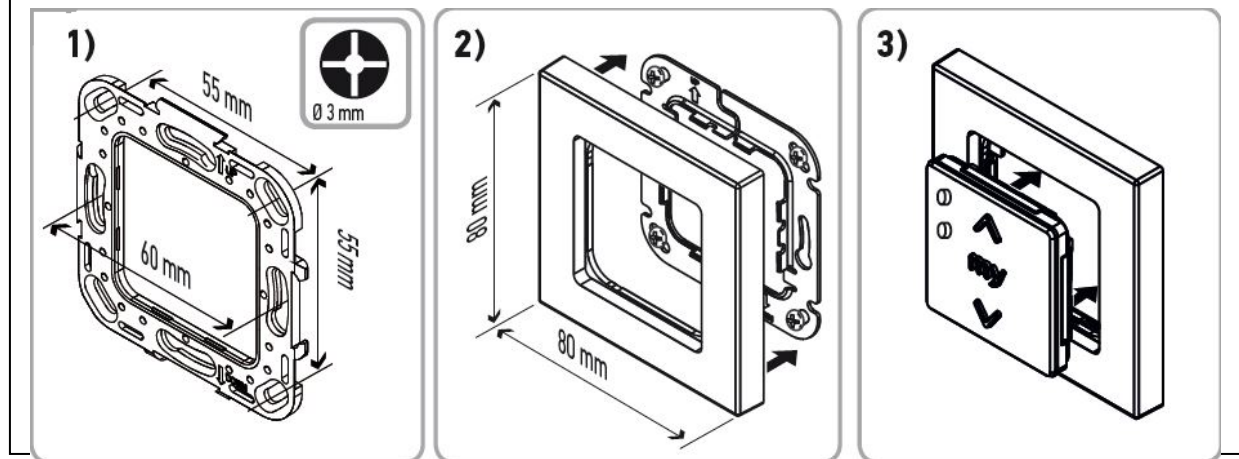

TECHNICAL SPECIFICATIONS

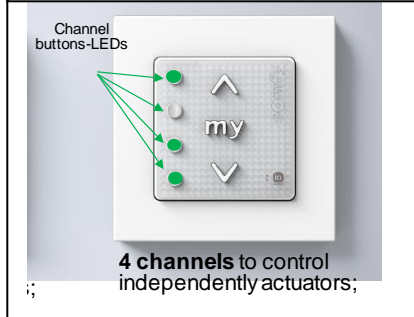

Box	Material	ABS & PC
	Color	Pure
	Size	Module 50x50x10 mm Frame 80x80x10 mm
Battery	Voltage	3V
	Type	CR 2430
	Number	x1
	lifetime (at ambient temperature in typical conditions)	5 years (Max 4 orders per day)
Radio frequency		868.95MHz
Radio power		-2.1 dBm P.A.R.E
Radio range		Use guaranteed in most «floor installation» depending of the environment.
Modulation Type		FSK
Protocol		io homecontrol
Antenna		Integrated
Temperature range	Storing	-20°C / +60°C
	Working	0°C / +48°C
Weight module(including battery)		24g
Standard:		
Electromagnetic compatibility		EN 301489-1 EN 301489-3
Electrical safety		IEC/EN 62368-1
Protection on the health		EN 62479
Radio		EN 300220-1 EN 300220-2
