

# Pack One+

## Alarm solution with built-in camera

### SOMFY ONE+ IN A NUTSHELL

*Somfy One+* is the ultimate all-in-one connected security solution. This complete, robust product offers you a level of security on a par with traditional professional systems. It consists of a Full HD camera with a 90+ dB siren, a smart motion sensor and a built-in back-up battery. Ideal for a single-family house, the *Somfy One+* pack includes 2 "Somfy Protect" security accessories: 1 patented IntelliTAG™ anti-intrusion sensor and 1 key fob.

### ADVANTAGES

#### A single product to keep your home and family safe

- Full HD 1080p camera with a privacy motorized shutter
- Built-in 90+ dB siren
- SomfyVision™ pet-immune motion sensor (infrared and image analysis)
- Patented IntelliTAG™ technology detecting intrusions BEFORE they occur (analysis of vibrations on protected openings)
- Speaker and microphone
- Fire alarm and power outage detection
- Free video recordings when movement is detected (10 sec.)

#### 2. Even more security

- Local storage in the event of an Internet outage
- Backup battery in the event of a power outage (6 hours)
- Free SomfyAround™ radio communications backup (private LPWA network) and other relays available subject to subscription and coverage.

#### 3. Security made easy

*Somfy One+* guarantees ease of installation and use with the free "Somfy Protect" application. Smart activation allows you to automatically disarm the system when you come home and sends you a reminder to arm it when you leave.
