

22 February 2024 **Subject: Letter of Attestation** (Ref. UK PSTI Compliance Assessment Report)

To, SOMFY,

This letter of attestation (the Letter) confirms that UL Solutions has performed assessments on components in accordance with the PSTI (Security Requirements for Relevant Connectable Products) Regulations 2023. The conditions for deemed compliance with requirements defined in SCHEDULE 2 were considered. Therefore, the device was assessed against the relevant ETSI EN 303 645 norms (5.1-1, 5.1-2, 5.2-1, 5.3-13), along with the mandates in the Regulations, and has been qualified to be compliant to UK PSTI.

The assessment was performed on components of the following product(s):

Manufacturer	Product / Model	Version
SOMFY	Tahoma Switch	5153854C TU453

Qualification Expiry Date:

22 February 2025

UL Solutions hereby declares that *SOMFY* has been offered a detailed test report as a deliverable of the Tahoma Switch, including, but not limited to, detailed test results of the tests performed, an assessment of each implemented security capability, and recommendations to further enhance the security posture of the connected product. The summary of findings are detailed in Annexure A. Sincerely,

Dean Zwarts
